

## Register on the NANOYOU Schools Community

To register on the Nanoyou Schools Community, you will have to follow **two main steps**:

- Create your OpenID
- Register on the Nanoyou Schools Community

### 1) Create your OpenID

#### Why are we using OpenID?

OpenID allows users to have a single login for several websites. For instance, you can register on the [netbooks.eun.org](http://netbooks.eun.org) website and use the same account on other European Schoolnet websites with an OpenID login. In the future, European Schoolnet will be using the OpenID for most of its websites and services.

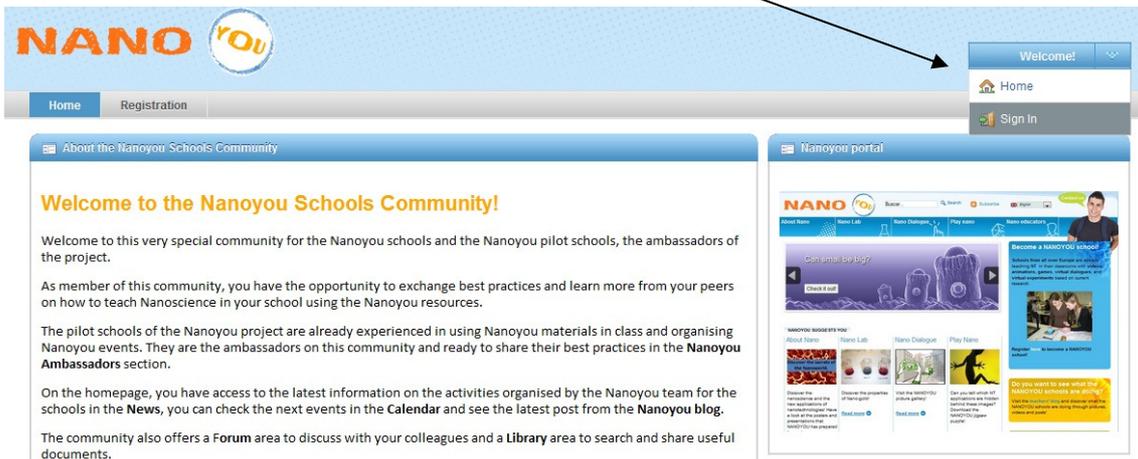

On the OpenID server you will be able to access many services at once: modify your profile, manage your account, request a new password and see all the websites you are registered on.

#### How does it work?

OpenID is a little different from what you may be used to when you log in on websites. Instead of inserting your user name and password into the website you wish to log into, you first need to register on the OpenID server and then go back to the portal you are visiting and where you wish to log in.

**Steps to follow:**

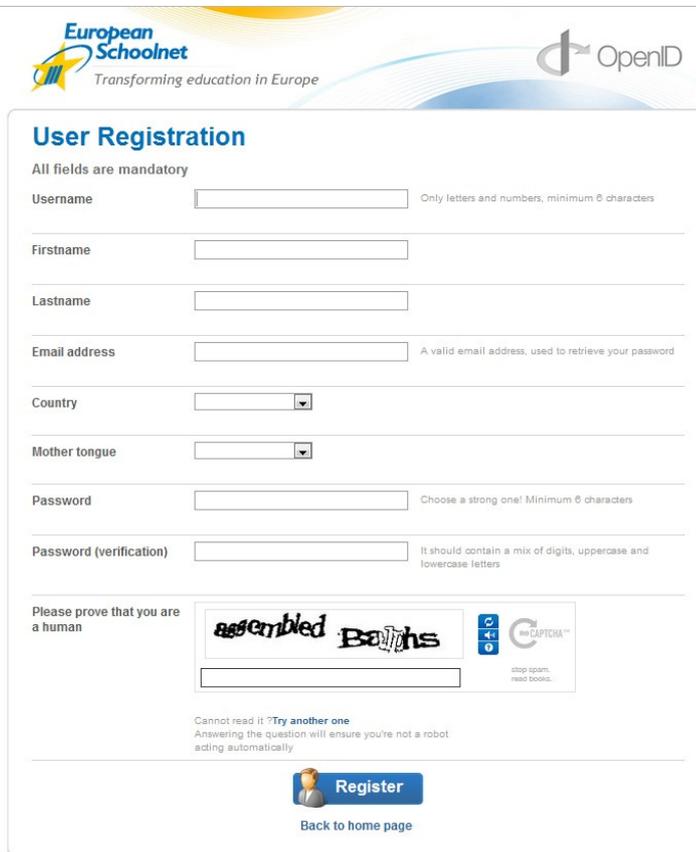

1) Go to <http://nanoyou.eun.org/> and click on **sign in** from the welcome button on the top right of the page

2) You will be redirected to the address that will enable you to create an OpenID account. If you don't have yet a OpenID account, click on **create account**.

3) Fill in all the fields, then click on 'Register'.

**User Registration**

All fields are mandatory

Username  Only letters and numbers, minimum 6 characters

4) After a successful registration, you will receive a confirmation message to the email address that you gave when you registered. In the email you will find your user name and the URL to the OpenID server. The URL should look like this: <https://username.id.europeanschoolnet.org>

5) Go to <http://nanoyou.eun.org> and login using **sign in** from the welcome button on the top right of the page.

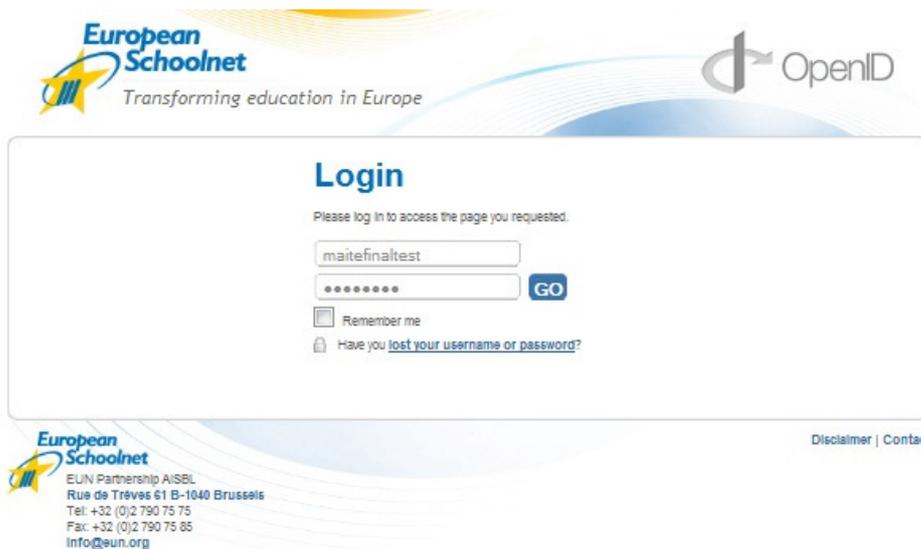

The screenshot shows the Nanoyou portal website. At the top right, there is a 'Welcome!' dropdown menu with a 'Home' icon and a 'Sign In' button. An arrow points from the 'Sign In' button in the text above to this button on the page. The main content area is divided into two columns. The left column is titled 'About the Nanoyou Schools Community' and contains a 'Welcome to the Nanoyou Schools Community!' heading and several paragraphs of text. The right column is titled 'Nanoyou portal' and contains a navigation menu, a search bar, and several featured articles and links.

6) Include your new OpenID (<https://username.id.europeanschoolnet.org>).

The screenshot shows the NANO YOU registration interface. At the top, there is a navigation bar with 'Home' and 'Registration' tabs. Below this is a 'Sign In' section with a 'Return to Full Page' link. The main area is titled 'Your OpenID identifier' and provides an example: 'e.g., JohnSmith.id.europeanschoolnet.org'. There is a text input field with a small icon to its left. Below the input field is a 'Sign In' button. Further down, there are links for 'Create Account', 'Forgot Password', and another 'Forgot Password' link with a circular icon. At the bottom of the page, there is a footer with the European Schoolnet logo, contact information, and links for 'Disclaimer | Privacy | Copyright | Contact'.

7) You are then directed to the OpenID server for login: enter your username and password

The screenshot shows the OpenID login page. At the top, there is a navigation bar with the European Schoolnet logo and the text 'Transforming education in Europe'. To the right is the OpenID logo. The main area is titled 'Login' and contains the text 'Please log in to access the page you requested.' Below this are two input fields: one for the username 'maitefinaltest' and one for the password, represented by dots. A 'GO' button is to the right of the password field. Below the input fields are two checkboxes: 'Remember me' and 'Have you lost your username or password?'. At the bottom of the page, there is a footer with the European Schoolnet logo, contact information, and a 'Disclaimer | Contact' link.

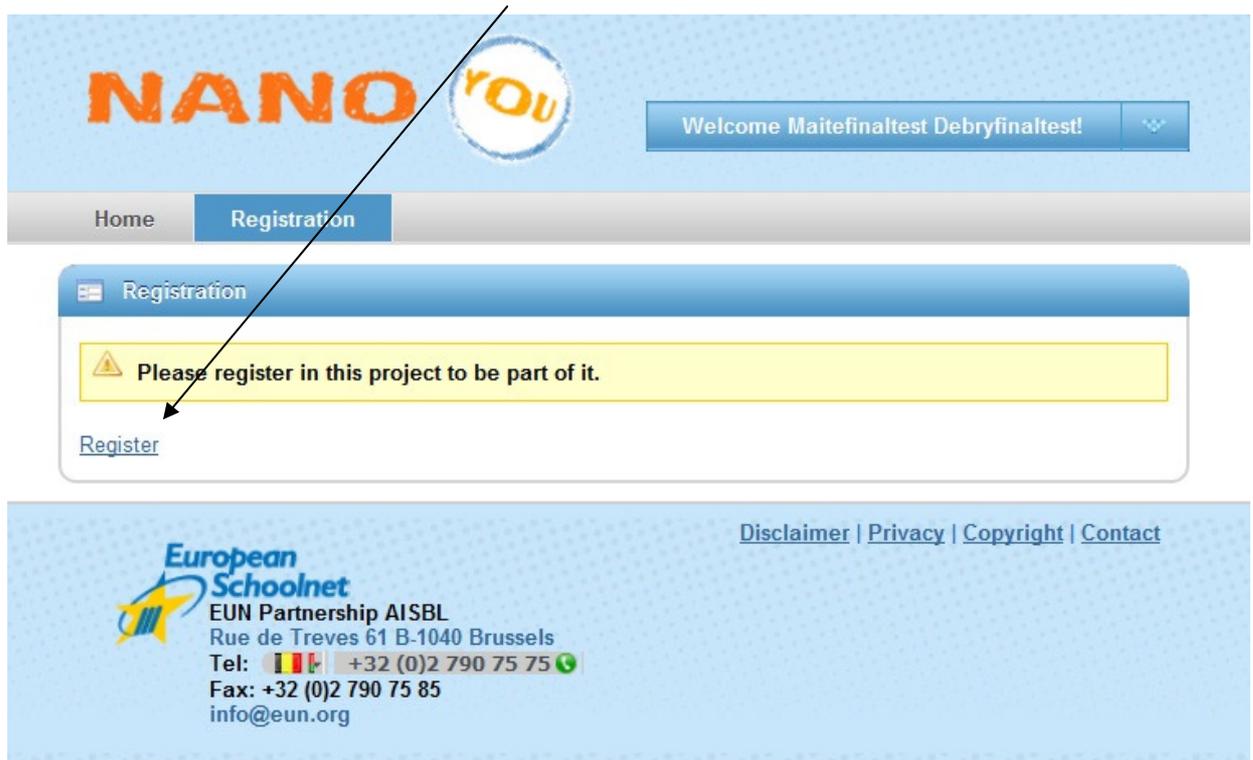

8) Fill in your OpenID user name and password. If you have forgotten them, a link allows you to reset your password. We recommend that you click on 'Remember me'; this way the login process will be quicker next time.

9) You will be redirected to the confirmation page informing you that “**You may now sign in to <http://nanoyou.eun.org> identified by <https://username.id.europeanschoolnet.org/>**”

Click on **Proceed** , you are redirected to the Nanoyou community. It is now time to register on the Nanoyou Schools Community.

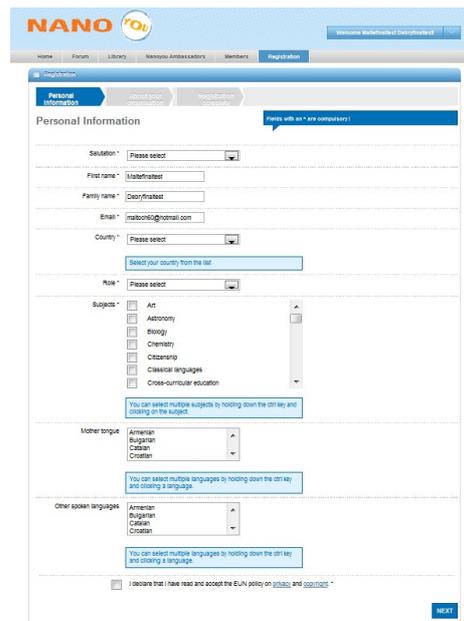

## 2) Register on the Nanoyou Schools Community

1) Go to the registration tab and click on **register**

The screenshot shows the Nanoyou website interface. At the top, there is a navigation bar with 'Home' and 'Registration' tabs. A welcome message reads 'Welcome Maitefinaltest Debryfinaltest!'. Below the navigation bar, a yellow warning box contains the text 'Please register in this project to be part of it.' with a 'Register' link underneath. An arrow points from the instruction above to this 'Register' link. The footer contains the European Schoolnet logo, contact information for EUN Partnership AISBL, and links for Disclaimer, Privacy, Copyright, and Contact.

- 2) You will access the registration form where you should fill in information about you and your school.
- Fill in all the fields about yourself, read the privacy and copyright and then tick the box and finally click on 'next'.

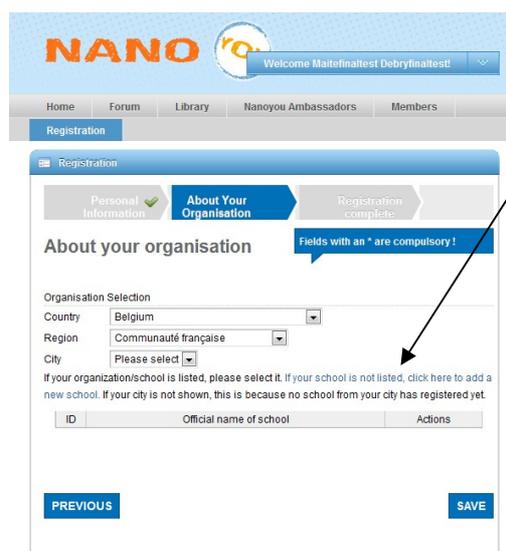

The screenshot shows the 'Personal Information' section of the registration form. It includes fields for:
